

# Renew for another year of Girl Scouting!

Spring Renewal is here! From **April 1 to June 12**, when you renew your membership, you'll not only continue to be a part of something special, but you'll also receive a FREE patch as a token of our appreciation. And that's not all - girl members will also receive a FREE ticket to Girl Scout Day at the Cleveland Metropark's Zoo on September 14, 2024! *Remember, the earlier you renew the more opportunities you have to win additional prizes in weekly drawings!*
