

MY SALE BOOTH SUGGESTION LIST

Meet with your troop and brainstorm ideas for My Sale booth locations. Also check with your Service Unit to see if they have procured local locations to use as My Sales so that you are not duplicating efforts. Please consider locations that will allow you to have safe booths.

- School events - After school activities and sporting events/competitions.
- Churches - Before or after services on a Sunday and the Friday night Fish Fry are popular.
- Mom & Pop shops – these are small, local family-owned and operated locations.
- Local diners- Pizza shops are a great option!
- Gas stations
- Banks - these can make great Drive Thru cookie booths if there is a safe location for Girl Scouts during off-hours
- Recreation or Community Centers
- College Campus'
- Libraries
- Auto parts stores

You know your neighborhood and the locations where you shop. Just remember that everything goes through eBudde - if it is not in eBudde, it will not appear on the Cookie Finder!
