

COOKIES BY THE CARLOAD

Use this guide provided by Little Brownie Bakers to approximate how many cases of cookies will fit in your vehicle. The amounts are an estimate and assume the car will be empty except for the driver and will use all space except the driver's seat.

Safety Note: Avoid carrying cookie cases and children in the passenger area of a vehicle at the same time. We reserve the right to refuse to load your vehicle if it is deemed unsafe, too small, or could potentially damage the cases.

Getting a lot of cookies?

It is an acceptable use of troop funds to rent a larger vehicle rather than try and coordinate multiple cars.

After you pick up the cookies have your troop help sort and distribute at your home!
