Cadette Summit FAQ's

What is a program track?

- A track is a program schedule with an assigned sleeping arrangement that your Cadette will choose for the weekend. Tracks have a predetermined schedule to help keep Cadettes in the same group for the weekend. There are 15 overnight tracks and 2 daytime-only tracks to choose from.

Why is the sleeping arrangement assigned to the program track?

- Cadettes will need to stay in the same group during Cadette Summit, this means Cadettes in the same track need to sleep in the same unit.

My Cadette wants a certain type of sleeping arrangement but does not like the program schedules that go with it, can she swap with another track?

- Cadettes will need to select what is top priority for them (sleeping arrangements or program track). Sleeping arrangements and program schedules are fixed and cannot be swapped.

Why do some program tracks have different prices?

- Program track price is based on the sleeping arrangement. Day only tracks are \$60. Outdoor units including tents and adirondacks are \$75, basic cabins are \$80, cabins with toilets are \$85 and cabins with toilets and showers are \$90.

Some tracks have 5 programs, and some have 4, what is the difference?

- High Ropes take up two program slots. Tracks with programs that take up two program slots are indicated on the Program Description and Track Schedule document found on the Cadette Summit webpage.

My Cadette troop is attending, can I sign them up to stay together?

- Cadettes in the same track will be in the same sleeping unit and have the same program schedule, however Cadette Summit is not a troop event and we encourage girls to make new friends while at camp! Track capacity is determined by the sleeping capacity of the assigned unit.

The program track my Cadette wanted was full and I signed her up for her second choice, if a space opens up in the program track she wanted, can she switch?

- Once a Cadette is signed up for Cadette Summit she may not switch tracks.

I don't see the option to waitlist, what do I do if the program is full?

- If all tracks are full, and you would like to be contacted in the event of openings, please email Customer Care at customercare@gsneo.org with your Cadette's name and your contact details. You will be contacted in case someone cancels their registration on a first-come, first-served basis.

How do I order a t-shirt?

- You can find the Cadette Summit t-shirt Jotform on the Cadette Summit webpage. This is the order form for both girl participants and volunteers. T-shirt orders will close on April 12th at 11:55pm.

Can my Cadette bring her phone to camp?

- Like any other expensive or sentimental item, phones are highly discouraged at camp. Camp is an unpredictable outdoor environment; Cadettes should only bring items that are okay to get muddy or lost. Leaving phones at home will also allow your Cadette to focus on the programming and being “in the moment” while at camp. Charging facilities will not be available at camp.
- If your Cadette does decide to bring her phone and contacts you to ask for forgotten items or to leave early, caregivers MUST contact the camp staff onsite. For safety reasons, no persons will be allowed on camp property without the prior approval of the camp staff. You can call Camp Ledgewood at 330-650-4743.
