Girl Recruitment:

1. You know your girl best. She's special, unique, and has a wonderful spirit. So, why not give her a membership to an organization that will help her best self shine brightest? Girl Scouts builds girls of courage, confidence, and character, while giving them opportunities to explore new things, make lots of friends, and change the world beginning with her own neighborhood. Start your girl's journey at gsneo.org/join.

2. A girl's mind is an ember ready to glow – she just needs a spark to realize it! Girl Scouts offers girls the encouragement and support needed to succeed, and find that their dreams can become a reality. With the necessary encouragement and guidance, girls can do anything! Sign up your girl today at gsneo.org/join.

3. Choosing an after-school activity for your girl can be tough. With so many options, how do you choose what's right for her? Girls like to have fun and experience new things with their friends, especially when they have a say in shaping their experiences.

Have you considered Girl Scouts? Girl Scouts is a great value! Membership is just \$25 with additional program fees for the activities your girl attends. Of course, we never want the fees to be a barrier, so definitely ask your local Girl Scout council about financial assistance.

Adult Recruitment:

1. As a volunteer, you'll introduce girls to new experiences—and show them they're capable of more than they ever imagined.

You'll be their cheerleader, guide, and mentor, helping them develop skills and confidence that will last a lifetime. Imagine the smiles, the excitement, the memories made—those are the moments you'll share as a Girl Scout volunteer.

Join the fun! Visit gsneo.org/volunteer.

2. Be the troop leader that supports her every week—the one that watches her smile get bigger as she grows more confident. Mentor a Girl Scout troop during cookie season and help them reach their goals. Or work with other adults to provide the kind of behind-the-scenes support that makes it possible for Girl Scouts to make amazing new memories.

Whether you can give a few hours, a few weeks, or a few months, volunteering with Girl Scouts is flexible and fun. Sign up at gsneo.org/volunteer.
